Performance Calculation Guide

Measure	Denominator	Numerator	I-Trac Data Required
Participants served who identify as women.	Total of all enrolled participants where Gender = *Woman* and Gender = *Man*	Of the total, those whose Gender Identity = *Woman*	**Registration**: Gender field completed in the P10k Online Application, or during program registration process. **Services**: At least one service entered to set the Participation Date.
Participants who successfully complete the program.	Total of all enrolled participants with an Exit date.	Of the total, those with an Exit Type = "*Exit Successful*".	**Outcomes**: Exit Type of "*Exit - Successful*" selected during the exit process. *(Note: Definition of "successful" determined by each LWB)*
Participants who obtain employment.	Total of all enrolled participants who were not employed at Registration and have an Exit date.	Of the total, those participants with an "*After Participation Employment Confirmation*".	**Registration**: Employment Status = "*Not Employed*" or "*Never Employed*". **Outcomes**: Employment Information and Employment Confirmation (*After Participation Employment Confirmation*).
Participants who earn at least $17/hour.	Total of all enrolled participants who were not employed at Registration, have an Exit date, Employment Info and Employment Confirmation.	Of the total, those participants with a wage rate of $17/hr or greater.	**Registration**: Same as above. **Outcomes**: Same as above *and* wages entered in the participant's Employment Details.
